Support Letter

To whom it may concern,

This letter is to confirm that East China Normal University (ECNU) and University of Science, Vietnam National University-Ho Chi Minh City (VNUHCM-US) have agreed to perform joint research on "*A Data Driven Intelligent City Traffic Management System.*"

In addition, both universities have agreed to apply for funding support from the joint call between China and Vietnam, more specifically, on the field of "Intelligent Transportation" in the joint call. ECNU will lead the Chinese team and VNUHCM-US will lead the Vietnamese team.

The collaboration will start from 1st June 2022 and will last until 1st June 2026, which covers the period of the proposal to be submitted.

Both universities should follow their respective countries' national rules for managing intellectual property rights. In case there are specific cases which need to be clarified, the two universities should resolve them case by case.
